What is GUL insurance?

Group Universal Life (GUL) is a type of permanent life insurance with the option for tax-deferred cash accumulation. GUL offers flexible protection and an excellent option for enhancing your family's overall financial security. This coverage will help protect your family against the unexpected loss of your life and income during your working years.

Insurance proceeds may be used as supplemental income for your family to pay off debts such as mortgage or medical expenses, or could be used to pay your funeral/burial costs.
